SURYA ENGINEERING COLLEGE
PASSIONATE ABOUT INNOVATION

International Conference on ICMSCI Multi-Agent Systems for Collaborative Intelligence

Second International Conference on Multi-Agent Systems for Collaborative Intelligence

IEEE

Date: 2 – 4 March, 2026

IEEE Computational Intelligence Society

Certificate of Presentation

This is to certify that

Nandyala Divya

has participated and presented a paper titled

Enhancement of Underwater Images using Homomorphic Filtering and Optimal Background Quadtree Search

at the Second International Conference on
Multi-Agent Systems for Collaborative Intelligence (ICMSCI 2026),
held at Surya Engineering College, Erode, Tamil Nadu, India.

Session Chair

Program Chair
Prof. Kalaiselvi L

General Chair
Dr. S. Manoharan
