Letter of Acceptance

Details of Accepted Manuscript:

Paper ID	Paper Title	Author(s)
ICVADV-788	**Enhancement of Underwater Images Using Homomorphic Filtering and Optimal Background Quadtree Search**	**Syed Munawwar, Nandyala Divya, Chintala Charitha, Shaik Bachangari Fazila Parveen, Shaik Athiya Ruksana, Pikkili Susmitha**

Decision: Acceptance with Major Revision

Herewith, the conference committee of this International Conference on Visual Analytics and Data Visualization [ICVADV-2026] is pleased to inform you that your manuscript has been accepted for oral presentation and recommended for inclusion in ICVADV 2026 Conference Proceedings. ICVADV will be held during 24-26, February 2026 at Francis Xavier Engineering College, Tirunelveli Tamil Nadu, India. ICVADV encourages only the active participation of highly qualified delegates to bring you various innovative research ideas.

We congratulate you on being successfully selected for the presentation of your research work in our esteemed conference.

Thank you

Yours Sincerely,

Conference Chair - ICVADV 2026

Review Comments

Reviewer 1:

1. Proposed Research Gap in this research article is already available. No proper problem formulation.
2. Objectives of the research work has not completed with evaluation.
3. There is no evaluation proof that mentioned in the abstract of the article.
4. Authors are not focused on a particular challenge for this research work.
5. All figures should be sequentially numbered, provided with appropriate captions, and properly cited within the article text (e.g., 'As shown in Figure 1,' 'Figure 2 illustrates,' etc). The references listed at the end of the manuscript have not been cited within the main text of the article. Minor English edits are needed throughout the manuscript.
